Members of the Local Plan Subcommittee
And all parties on the circulation list

24 July 2014

Please ask for:
Carrie O'Connor
Committee Services

Dear Member,

Local Plan Subcommittee Meeting on 31 July 2014 Schedule of Changes and Local Plan Business Survey

Since the papers for Local Plan Sub-Committee meeting were published on the website and prior to our Sub-Committee on 31st July 2014, further updates are recommended to the remaining sections of the Local Plan; the Publication Version Local Plan and the Sustainability Appraisal (SA). These changes have been identified as part of the iterative process of policy preparation and the gathering of evidence. The changes include the following:

- Updates to the preamble text within Section 12.1 Housing to accommodate suggestions made by our housing consultants GL Hearn
- An update to the housing allocation policy relating to educational requirements at Angmering
- An update to the Settlement Structure and Gaps Between Settlements policy
- Minor factual corrections and policy number updates
- A factual update to the SA options assessment
- Updates to the Housing Mix section within the Publication Plan Version of the Local Plan
- Updates to the Addressing Climate Change section within the Publication Version of the Local Plan

Furthermore, please find enclosed a copy of the Local Plan Business Survey Report which sought opinions from Arun's businesses regarding highway improvements within the district. This report and the final A29 Realignment Feasibility Study will be available to view on the Arun District website and copies will also be made available in the Members' Room.

The remaining documents for the 31st July Local Plan Sub-Committee meeting including the Policies Map and Key Diagram and the Sustainability Appraisal assessment matrices can be found on the website using the following link:

<http://www.arun.gov.uk/main.cfm?type=LOCALPLANJULYLPSCV&objectid=7440&searchterm=edirect=LPSC>

Please bring these papers with you to the meeting to enable full consideration to be given to the said items. Thank you.

Yours sincerely,

Carrie O'Connor
Committee Manager
