

Please note:

The Policies Changes Map only shows policy areas that are new additions or have been amended since the 2014 Policy Maps.

If a Policy area has been amended, such as Gaps Between Settlements, all areas covered within that policy are depicted on the map, however not all of the Gaps Between Settlements have changed.

The Policy Changes Map should be read alongside the Main Modification table.

Arun Local Plan 2011 - 2031 Draft: March 2017

The Local Planning Authority Boundary of Arun District Council - Policy Changes Map

Map 1

0 Metres 3,000
