ARUN DISTRICT COUNCIL COUNCILLOR FEEDBACK REPORT FROM OUTSIDE BODIES

Report to Planning Policy Committee – 7 June 2022

Name of Meeting:	South Downs National Park Authority
Date of Meeting:	May 2022
Report by:	Cllr Isabel Thurston
Committee:	Planning Policy Committee
<p>An important grant application to DEFRA has gone in from the SDNPA covering 17 landowners in the Arun Valley. This is applying for DEFRA's funding under the Environmental Land Management scheme, aiming to re-wild areas of the Arun valley in the Arun District. The project is called Lapwings and Landscapes and includes large parts of the flood plan and valley as far as Amberley. The result of the application should be given over the summer.</p> <p>A large part of the National Park's work this spring has been on landscape recovery in line with the big commitment to re-nature 30% of the Park by 2030.</p> <p>Preparations are beginning for the updating of the Local Plan. Housing delivery will be looked at again over the next year. Other important areas being worked on are water neutrality and nutrient neutrality.</p> <p>The Our South Downs network has just been launched. This is a networking opportunity for local businesses in and around the Park to share information and get help on moving in a more sustainable direction.</p> <p>There will be pop up stalls over the summer including twice at Swanbourne Lake. I can advise on the dates at the meeting.</p>
