405. LICENSING FEE SETTING

The Committee received a report from the Licensing Manager which set out the proposed licence fees structure for specified licensing regimes to take effect on 1 April 2020. She provided an explanation as to how the figures had been arrived at and emphasised that the Council sought only to recover its costs rather than achieving a surplus. The fees would be reviewed on a regular basis as it was likely that further changes to processes would continue over the next few years as ways of working more efficiently were brought forward.

In considering the matter, Members also took account of the Council's Tax Policy and, following a brief discussion whereby Members sought and received clarification on a number of points, the Committee

RESOLVED

That the fees be set as proposed by officers and which had been calculated in accordance with the requirements of each regime and principles of cost recovery laid out in guidance.

LICENSING SUB-COMMITTEE

24 February 2020 at 9.30 am

Present: Councillors Edwards (Chairman), Bennett and Mrs Catterson

Sarah Meeten, Licensing Manager	Licensing Authority
Caroline Perry, Principal Lawyer	Legal Advice
April Heasman, Lawyer	Observer
Peter Savill, Barrister Sussex Police	(Applicant) Responsible Authority
David Bateup, Sussex Police	Police Licensing Team
Mr Afshin Ali-Zadeh	Owner, Istanbul Grill
Fares Hadison, Vandu Language Services	Interpreter for Mr Ali-Zadeh

1. ELECTION OF CHAIRMAN

Prior to commencement of the meeting it had been agreed that Councillor Edwards would chair the meeting.

2. DECLARATIONS OF INTEREST

No declarations of interest were made.

The Chairman then called for a 15-minute adjournment, to allow for the arrival of the Licence Holder.

3. LICENSING ACT 2003 S51 APPLICATION FOR REVIEW OF A PREMISES LICENCE

Prior to commencement of consideration of this item, the Chairman requested those in attendance to introduce themselves and stated that a verbatim note of the meeting would not be taken, should anyone wish anything particular to be noted they should indicate accordingly to enable this to be done.

The Licensing Manager presented this report which outlined the detail of a case of an application from the Sussex Police to review the Premises Licence for Istanbul Grill at 10 High Street, Bognor Regis, PO21 1SR. On the basis that the licensing objectives of the prevention of crime and disorder and public safety had been undermined. The Officer confirmed that the Sub-Committee Members were being asked to review if this is still suitable for late night refreshment.

In line with the Council's laid down procedure, detailed representations were heard from those relevant parties in attendance, followed by comprehensive questions

Licensing Sub-Committee - 24.02.20

between all parties, which were responded to at the meeting, a summary of which is set out below: -

The applicant for the review Mr Savill, explained that Sussex Police were very concerned about this case. He stated only those who could show and demonstrate that they could uphold the licensing objectives should be licence holders. In this case, Sussex Police did not feel this had been demonstrated in current dealings with the licence holder or would be the case moving forward. As this case was not one where any modification or suspension of the licence would resolve the matters of concern their advice would be to revoke this licence.

Mr Ali-Zadeh, the Licence Holder and Owner of the Istanbul Grill advised it had been his first time running his own business. He stated that while he had, had 10 years of experience working in the industry and had a good knowledge of cooking and hygiene standards, he was unfamiliar with the Licensing Conditions and was unaware in the beginning that he needed a doorman/supervisor and CCTV at the premises. He confirmed that he had never read the last page of his Licence.

Following the Council's laid down procedure, detailed representations were heard from those relevant parties in attendance, followed by questions which were responded to at the meeting.

The Licensing Manager asked the Owner of the Istanbul Grill, how he would propose to maintain a positive working relationship with the Police bearing in mind there were a list of numerous other incidents where his behaviour had not appeared to be in co-operation with the Police and in the interests of promoting the licensing objectives, and that, presented further concern that this behaviour would not be improved in the future.

Mr Savill confirmed that he and Sussex Police had serious concerns that Istanbul Grill was persistently failing to adhere to the conditions imposed on the licence and future ability to work in a co-operative way with the Police to address the matters raised.

All parties participated in extensive questions and answers prior to the Subcommittee retiring from the meeting, together with the Council's Lawyer, to consider its decision in tangent with the verbal and written representations made.

On reconvening the meeting, the Chairman advised that this was an application for a review of the premises licence at Istanbul Grill at 10 High Street Bognor Regis. The application has been made by Sussex Police on the grounds of prevention of crime and disorder and public safety.

The Sub-Committee had taken in to account all the representations made, both written and oral in respect of this matter. The Sub Committee had also had due regard to the Statutory Guidance and the Council's own Licensing Policy.

Subject to approval at the next Licensing Sub-Committee meeting

3

Licensing Sub-Committee - 24.02.20

The Subcommittee therefore

LICENSING SUB-COMMITTEE

26 June 2020 at 9.30 am

Present: Councillors Purchase (Chairman), B Blanchard-Cooper and Brooks

Andrew Burrows, Licensing Officer
Mr N. Uriakheil, Applicant
Mr A. Khan, Manager of Perfect Pizza
Mr R. Allen, local resident
April Heasman, Legal Adviser

1. ELECTION OF CHAIRMAN

Prior to commencement of the meeting, it had been agreed that Councillor Purchase would chair the meeting.

2. DECLARATIONS OF INTEREST

There were no declarations of interest made.

3. APPLICATION FOR PREMISES LICENCE - PROVISION OF LATE NIGHT REFRESHMENT, EAST PRESTON PERFECT PIZZA

The Chairman asked if any representations had been received to enable the hearing to be dispensed with and was advised by the Licensing Officer that none had been received. The hearing was then formally commenced.

The Licensing Officer outlined the detail of the case for an application for a late night refreshment licence for 1100 hours to 0100 hours Sunday to Thursday and on Friday and Saturday 1100 hours to 0300 hours for Perfect Pizza in East Preston. Delivery only would be permitted after midnight. The Police had made representation in respect of the Crime & Disorder and Public Nuisance licensing objectives and had put forward conditions to address these, which had been accepted by the applicant – their representation had therefore been withdrawn. Two representations from the public had been received, with one being withdrawn, but Mr Allen felt his representation was still pertinent to consideration of the application.

The applicant had accepted the conditions put forward by the Police and had also sent a late submission to confirm that:-

- the front door of the premises would be closed at midnight every evening
- the front of house lights would be switched off at midnight every evening

Licensing Sub-Committee - 26.06.20

- if delivery vehicles parking at the front was of concern it was offered for parking to take place elsewhere and for deliveries to be picked up from the rear of the premises.

Following the Council's laid down procedure, detailed representations were considered from the applicant and Mr Allen, local resident, and questions were asked of and by all parties, which were responded to at the meeting.

As this was a virtual meeting, the Chairman then closed the meeting and advised that the Subcommittee would consider the matter and its decision would be conveyed to all parties as soon as possible, with a written response to be provided within 5 working days of the hearing.

For completeness of these Minutes the Subcommittee

RESOLVED

That the application be approved, subject to the addition of the following conditions:-

- The Premises Licence Holder will ensure the front of house lights are switched off at 0.00 daily.
- Any deliveries from 0.00 will be run via the use of the back door of the premises.
- Any delivery vehicles will operate solely from the back of the premises from 0.00 hours.

Sarah Meeten, Licensing Manager
George Domleo, Legal Representative for the Applicant
Inspector Robert Lovell, Police Licensing

1. ELECTION OF CHAIRMAN

2. DECLARATIONS OF INTEREST

There were no declarations of interest made.

3. APPLICATION TO VARY A PREMISES LICENCE, WILLIAM HARDWICKE, BOGNOR REGIS

The Chairman asked if any representations had been received to enable the hearing to be dispensed with. The Licensing Officer advised the meeting that agreement had been reached between the applicant and the Police and Members had been notified accordingly by email. However, as the Licensing Authority had only received confirmation shortly prior to the meeting, verbal confirmation was required and given from the applicant's legal representative and the Police that the representation from the Police had been withdrawn and relevant conditions would be attached to the licence as agreed between the parties.

Members sought clarification on what had exactly been agreed and, following comment from the applicant's legal representative and the Police to assist, the conditions to be placed on the licence were read out by the Licensing Officer for the avoidance of doubt.

The Subcommittee then ratified the agreement between the applicant and the Police and the hearing was therefore dispensed with.

ARUN DISTRICT COUNCIL

REPORT TO AND DECISION OF THE LICENSING COMMITTEE ON 29 JANUARY 2021

SUBJECT: Licensing Fee Setting

REPORT AUTHOR: Sarah Meeten, Licensing Manager

DATE: January 2021

EXTN: x37680

PORTFOLIO AREA: Technical Services

EXECUTIVE SUMMARY: This report sets out proposed licence fees for specified licensing regimes to take effect on 1 April 2021.

RECOMMENDATIONS: That the licensing fees set out in Appendix 1 are agreed, effective 01 April 2021.

1. BACKGROUND:

- 1.1 A number of licensing regimes allow for calculation and setting of fees at a local level. This report provides information to Members regarding how specified fees have been calculated and asks them to set them to agree fees for specified regimes to take effect on 1 April 2021.
- 1.2 The general principle is that the council should seek to recover its costs in relation to the authorisation procedures and formalities of each regime.
- 1.3 Some fees regimes are set on a national basis which the District Council has no power to amend. Some regimes allow for the charge of a reasonable fee to cover costs up to a capped limit set by government. Some statute permits for the setting of local fees to recover costs.
- 1.4 When setting fees locally, calculations will consider any surplus or deficit and adjust proposed fees accordingly. This means that fees may fluctuate year on year based on income and costs associated with each regime.
- 1.5 The investment in new software has proved greatly beneficial during the pandemic and has allowed service continuity whilst officers work remotely. This has facilitated much greater service continuity than we would have been able to sustain with the previous system.
- 1.6 The European Union Services Directive – 2006/123/EC was given effect in UK law via the Provision of Services Regulations 2009 (SI2009/2999). The Directive and Regulations contain provisions about the fees which may be charged under relevant licensing regimes within the scope of the Directive. In particular licensing authorities may not set fees which are dissuasive, and any fees must be reasonable and proportionate to the cost of the licensing process and the

<p>issuing of a licence. The provisions have been considered with the proposals in this paper.</p> <p>1.7 In addition to the above a Supreme Court judgement has provided clarification that for regimes that fall within scope of the Directive, application costs must be split so that charges for the application through to determination are charged separately from the costs of ongoing operating and compliance costs of regimes. Where fees fall within scope of the relevant Directive, the costs have been divided into parts.</p> <p>1.8 Functionality now exists to provide the facility for more applications to be made on-line. Where this is currently available, or is hoped to be available shortly, an on-line discount has been specified to make provision for the office processing savings where this is applicable. This varies between applications dependant on the amount of time saved. It will not be possible to introduce self-service applications for every type of licence at this time, officers aspire to make provision for this service as widely as possible and recognise the benefits it will bring to our customers.</p> <p>1.9 Street Trading fees will be addressed together with policy review, this work has been delayed due to the pandemic.</p>		
2. PROPOSAL(S):		
<p>2.1 That the licensing fees set out in appendix 1 are agreed, effective 01 April 2021.</p>		
3. OPTIONS:		
<p>3.1 To set specified fees as proposed to take effect on 1 April 2021</p> <p>3.2 To alter fees and set to take effect on 1 April 2021</p> <p>3.3 To not set fees to take effect 1 April 2021</p>
