

PETITION

On behalf of the 1,500 signatories to the petition, Arundel Town Council asks Arun District Council:

1. To pass a motion of support for the development of a safe cycling and walking pathway between Arundel and Ford Station.

and thereafter:

2. To communicate that support to National Highways and to the Steering group which is working on the development of the business case to be submitted to National Highways. This steering group has representatives from National Highways, West Sussex County Council, Arundel Town Council and is attended by Kevin Owen (ADC Planning Policy Team Leader).
