### Representation from Mr Allen

Application for a Premises Licence under the Licensing Act 2003 by Mr Amanulla Masakhaila of Perfect Pizza

Objection: I object to the granting of licence application 117273 to Amanulla Masakhaila of Perfect Pizza.

License number 113344 was issued on 11-08-2020, it lapsed at the end of 2021, the new license application 117273 is similar to application 113344, but the end hours on Sunday to Thursday have been extended from 01:00 to 02:00.

I object to East Preston Perfect Pizza being open beyond 00:00. The premises are located in the southern part of Willowhayne Crescent. The distance from my front door to the entrance to East Preston Perfect Pizza is 17.5 metres.

**Public Nuisance:** Beyond 00:00 the movement of vehicles and people (both customers and delivery drivers) causes a Public Nuisance. From the time we moved to East Preston in 2018 until 26 October 2022 Perfect Pizza has been making deliveries and serving customers from the front of the premises after 00:00, sometimes until 03:00.

The previous licence (113344) was issued on 11 August 2020, the specifics stated: The premises licence holder will ensure that the premises is closed to the public with the front door locked shut and displaying a CLOSED sign from 00:00, and all customers off the premises by 00:00.

After 00:00, until the end of licensable activities, all hot food and drink will be provided via a delivery service only . . . 1 The premises licence holder will ensure the front of house lights and any signage lights are switched off at 00:00 daily. 2 Any deliveries from 00:00 will be run via the use of the back door of the premises. A Any delivery vehicle will operate solely from the back of the premises from 00:00 hours.

None of these specifics were complied with when Perfect Pizza were licensed, the Public Nuisance continued.

**Disorder:** There have been several incidents involving Perfect Pizza:

On Thursday 29 April 2021 at 10:48 a motorcycle with a driver and passenger drove along Willowhayne Crescent and stopped beside a Mercedes car used by Perfect Pizza staff. The driver got off the motorbike and attacked the car with a baseball bat. The motorcycle then drove off. The police were called and a police officer viewed my CCTV of the incident. He said that the car owner would give him no information.

On Sunday 15 May 2022 at 23:58 a person came out of Perfect Pizza and communicated with someone (unseen) above the premises. At 00:12 a person fell headfirst from above Perfect Pizza onto the pavement. He eventually got up and talked to a man who arrived by car and parked outside Perfect Pizza. I reported this to South East Regional Policing reference CIT396948 and uploaded CCTV as requested.

On Thursday 10 November 2022 I photographed the premises licence application displayed in the window of Perfect Pizza. Later, at 17:12, a man came across from Perfect Pizza to talk to me. He told me that his boss from Perfect Pizza had told him to tell me that I must not photograph the application. He also said "It is not your business, it is the Council's job." I found the man's attitude threatening and intimidating. He appeared to be telling me not to object to the new license application. I have reported the incident to Sussex Police via the Single Online Home reporting service, reference TAA-73851-22-4747-00, crime reference 47220212164.

I do not believe that license 117273 should be awarded to Amanulla Masakhaila of Perfect Pizza.
