

## **Application for a Premises Licence under the Licensing Act 2003 by Mr Amanulla Masakhaila of Perfect Pizza**

### **Objection**

I object to the granting of licence application 117273 to Amanulla Masakhaila of Perfect Pizza.

I have lived here for 7 years and knew this premises as a kebab shop before Perfect Pizza moved in. I never had any of these issues before Perfect Pizza. I enjoyed living at my HOME but since Perfect Pizza moved in it has been a nightmare.

Due to the fact my property is 20 yards from front door to front door I am really opposed to this being given an extended licence for the following reasons:

### **Public Nuisance**

From the premises playing loud music with doors open, delivery cars shouting to each other and banging car doors till 3am sometimes 3:30 am. Patrons pick up food and sit in the car park adjacent to my fence playing loud music while they eat there food in the car, then throw food and the boxes from window which is a rodent issue as well.

### **Litter**

Nearly every weekend I find myself cleaning up the Village Green as pizza boxes are thrown on the Village Green and the bins are over flowing with huge pizza boxes also boxes of partially eaten food. There are drinks bottles on the road as people eat in the car and throw the rubbish from car windows. This is down to the late night customers who have no care for the environment and don't live here, they don't care they just drive away.

### **Parking**

Willowhayne Crescent is blocked with cars parked up on pavements. Cars parking double yellow lines blocking access to my drive in and out. They also double park in the middle of the road (without lights as night) and block the road. They abuse my visitors who are dropping me shopping or other things. When pubs let out they go for a pizza at 12:30 am then proceed to the green to eat it and stay till 2am making very loud noises and shouting, some cars have music on in cars so its Impossible to sleep with a window open at my property.

### **Crime and Disorder**

Large gangs hang around the premises fighting and shouting.

When I ask Perfect Pizza staff to move I get abused and intimidated.

I feel Intimidated and have been verbally threatened on a weekly basis. I am a disabled lady who lives alone and needs accesses to my property which is why I bought a property with off street parking.

## **Conclusion**

I don't understand why only ONE Objection was allowed when over 10 people objected to licence 113344. Why, given the proximity of my home to these premises was I was one of the people rejected?

On the previous hearing they were give a Licence to remain open till 3am but operations were to be from the rear of the premises. This was never the case and I have continued to complain to no avail.

Since 27 October 2022 Perfect Pizza have closed at 11:00pm and we have had a peaceful life.

They have now applied again and I feel we will be subjected to the same Public Nuisance that we have endured for over four years. I ask that this Late Licence is withheld as this is of no benefit to the local community but only damages our quality of life and takes away our enjoyment of our property.
