Dear Mr Suter

This letter of representations is provided in connection with your audit of the financial statements of Arun District Council ("the Council") for the year ended 31 March 2022. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial position of Arun District Council as of 31 March 2022 and of its income and expenditure for the year then ended in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

#### **A. Financial Statements and Financial Records**

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.
2. We acknowledge, as members of management of the Council, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Council in accordance

with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22. We have approved the financial statements.

3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
4. As members of management of the Council, we believe that the Council has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, that are free from material misstatement, whether due to fraud or error. We have disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the COVID-19 pandemic and of the conflict and related sanctions in Ukraine, Russia and/or Belarus on our system of internal controls.
5. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. We have not corrected the differences identified by and brought to the attention from the auditor in Appendix A because the amounts are not material, individually and collectively (i.e. the amount is unlikely to influence the decisions or assessments of users taken on the basis of the financial statements and the cost would, therefore, outweigh any benefit).

## **B. Non-compliance with law and regulations, including fraud**

1. We acknowledge that we are responsible to determine that the Council's activities are conducted in accordance with laws and regulations and that we are responsible to identify and address any non-compliance with applicable laws and regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
4. We have no knowledge of any identified or suspected non-compliance with laws or regulations, including fraud that may have affected the Council (regardless of the source or form and including, without limitation, allegations by "whistleblowers") including non-compliance matters:
  - involving financial statements;
  - related to laws and regulations that have a direct effect on the determination of material amounts and disclosures in the Council's financial statements;
  - related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Authority's activities, its ability to continue to operate, or to avoid material penalties;

- involving management, or employees who have significant roles in internal controls, or others; or
- in relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.

### **C. Information Provided and Completeness of Information and Transactions**

1. We have provided you with:
  - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
  - Additional information that you have requested from us for the purpose of the audit; and
  - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
2. All material transactions have been recorded in the accounting records and all material transactions, events and conditions are reflected in the financial statements, including those related to the COVID-19 pandemic and including those related to the conflict and related sanctions in Ukraine, Russia and/or Belarus.
3. We have made available to you all minutes of the meetings of the Full Council and Audit and Governance Committee (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the year to the most recent meeting on the following date: 18 January 2023.
4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Council's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the year end. These transactions have been appropriately accounted for and disclosed in the financial statements.
5. We believe that the methods, significant assumptions and the data we used in making accounting estimates and related disclosures are appropriate and consistently applied to achieve recognition, measurement and disclosure that is in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.
6. We have disclosed to you, and the Council has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.
7. From the date of our last management representation letter (22 February 2022) through the date of this letter we have disclosed to you any unauthorized access to our information technology systems that either occurred or to the best of our

knowledge is reasonably likely to have occurred based on our investigation, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material impact to the financial statements, in each case or in the aggregate, and ransomware attacks when we paid or are contemplating paying a ransom, regardless of the amount.

#### **D. Liabilities and Contingencies**

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
2. We have recorded and/or disclosed, as appropriate, all liabilities related litigation and claims, both actual and contingent, and have disclosed in the financial statements all guarantees that we have given to third parties.

1. Other than as described in the financial statements, there have been no events, including events related to the COVID-19 pandemic, and including events related to the conflict and related sanctions in Ukraine, Russia and/or Belarus, subsequent to period end which require adjustment of or disclosure in the financial statements or notes thereto.

#### **G. Other information**

1. We acknowledge our responsibility for the preparation of the other information. The other information comprises the Narrative Report and the Annual Governance Statement.
2. We confirm that the content contained within the other information is consistent with the financial statements.

#### **H. Climate-related matters**

1. We confirm that to the best of our knowledge all information that is relevant to the recognition, measurement, presentation and disclosure of climate related matters has been considered and reflected in the financial statements.

2. The key assumptions used in preparing the financial statements are, to the extent allowable under the requirements of CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, aligned with the statements we have made in the other information or other public communications made by us.

#### **I. Comparative information – corresponding financial information**

1. CIES and EFA - Following an updated portfolio structure in 2021/22, the cost of services lines in the CIES and EFA have been adjusted accordingly.
2. The comparative amounts for these items have been correctly restated to reflect the above matters and appropriate note disclosure of these restatements have also been included in the current year's financial statements.

#### **J. Reserves**

1. We have properly recorded or disclosed in the financial statements the useable and unusable reserves.

#### **K. Use of the Work of a Specialist**

1. We agree with the findings of the specialists that we engaged to evaluate the IAS19 pension liability, and have adequately considered the qualifications of the specialists in determining the amounts and disclosures included in the financial statements and the underlying accounting records. We did not give or cause any instructions to be given to the specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an effect on the independence or objectivity of the specialists.

#### **L. Estimates**

1. We confirm that the significant judgments made in making the estimates for pension liabilities and the valuations of property, plant and equipment have taken into account all relevant information of which we are aware.
2. We believe that the selection or application of the methods, assumptions and data used by us have been consistently and appropriately applied or used in making the estimates.
3. We confirm that the significant assumptions used in making the estimates appropriately reflect our intent and ability to carry out any relevant specific courses of action on behalf of the entity.
4. We confirm that the disclosures made in the financial statements with respect to the accounting estimates, including those describing estimation uncertainty and the effects of the COVID-19 pandemic, are complete and are reasonable in the context of the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

Yours faithfully

(s151) Officer)

### Audit Differences

---

In the normal course of any audit, we identify misstatements between amounts we believe should be recorded in the financial statements and the disclosures and amounts actually recorded. These differences are classified as "known" or "judgemental". Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

#### Summary of adjusted and unadjusted differences

We highlight the following misstatements greater than £1.58m which have been corrected by management that were identified during the course of our audit. There are no such items to report.

We report to you any uncorrected misstatements greater than our nominal value of £105k.

There are five misstatements to bring to your attention at the time of writing this report, based on the preliminary findings of our local audit team and the Pension Fund auditors.

- PPE Valuation (Bognor Regis Arcade) judgemental misstatement (overstatement) of £151k
- PPE Valuation (Laburnum Centre, Bognor Regis) judgemental misstatement (overstatement) of £101k
- Net Pension asset (overstatement) of £270k
- Debtor - Non-Domestic Ratepayers (understatement) £134k
- Provision for doubtful debts (overstatement) £182k

A number of immaterial adjustments in the disclosure notes and associated narrative were also requested.
