Dear Mr Ciosek

I am emailing you regarding your application for a street trading consent. Consultation has been made with various consultees and I am waiting for their responses. However I have been asked whether it is possible for you to send a photo of the stall from which you wish to trade, so the consultees can assess the quality of the stall before making any comments.

Please note I have sent a letter to your home address regarding the date the application is likely to be heard. Regards

Glenn James
