**MEETING DATES 2024/25**  
**For Full Council Approval – 13 March 2024**

**NOTES**

Areas shaded in green are school holidays and Bank Holidays

Meetings have been set in accordance with the frequency of meetings approved by Full Council when it changed its governance structure over to a Committee system – this being:

- Policy & Finance – 5
- Corporate Support – 4
- Planning Policy – 5
- Housing & Wellbeing – 5
- Environment – 5
- Economy – 4
- Council – 5 plus the Special for the Budget and Annual Council
- Audit & Governance (4), Standards (4) Licensing (4) Planning and Licensing Sub (monthly) – their frequency remains unchanged

Of concern is the Economy Committee where 2 Special Meetings were required in June and November 2023 to accommodate the workload of the Committee. Any request to change the frequency of meetings would need to be considered by the Constitution Working Party

**Other Dates Avoided are:**

Party Conference Weeks in September and October 2024 – some dates are still to be confirmed due to a pending General Election  
Avoiding the Summer School Holidays as much as possible – only exception is Audit & Governance on 23 July 2023 and Planning in maintaining monthly meetings and Licensing Sub [where required]

Fitting in around the timescales for KPI performance reporting

Fitting in around the timescales that Finance works to in terms of Budget Setting and preparing the Annual Budget and consultation with all Committees as well as Budget Monitoring Report timescales

The Dates for Audit & Governance may have to be adjusted once Ernst & Young – audit deadlines have been confirmed

When the General Election is called – any clashes in meetings will be addressed at that time
