(ii) drink as much alcohol as possible (whether within a time limit or otherwise);

b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;

e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

4. The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

5. (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

(2) The designated premises supervisor in relation to the premises licences must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy. (3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older ages as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either:-

2. For the purposes of the condition set out in paragraph 1 -

(b) "permitted price" is the price found by applying the formula - $P = D + (D \times V)$

Where -

(i) P is the permitted price

(ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and

(iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;

c) "relevant person" means, in relation to premises in respect of which there is in force a premises licence;

(i) The holder of the premises licence

(ii) The designated premises supervisor (if any) in respect of such a licence, or

e) "value added tax" means value added tax charged in accordance with the Value Added Tax Act 1994.

3. Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from the paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

4. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax. (2) The permitted price which would

apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Conditions consistent with the Operating Schedule

General Objectives:

The applicant would agree to a Condition to the effect that alcohol is only to be supplied to those purchasing substantial refreshment for consumption on or off the premises. The applicant wishes to be able to supply alcohol to be consumed by customers whilst waiting for or to drink with a takeaway. The premises are modest in size and cater for many local residents. It is neither acceptable to the applicant and would be harmful to his business to permit any kind of antisocial behaviour on the premises. Alcohol is only to be sold to those purchasing substantial refreshment for consumption on or off the premises.

Prevention of Crime and Disorder:

The applicant refuses service to anyone who has had excess alcohol or is otherwise likely to commit any criminal act either on or after leaving the premises, including all forms of antisocial behaviour. The staff are trained politely to refuse service and to call the Police in the event of trouble either from customers or those who have been refused service and left the premises.

Public Safety:

As the premises are small the applicant ensures that they do not become overcrowded and that persons attending remain calm. There are exits in the case of emergency at both the front and back of the premises and fire fighting equipment in both the restaurant and the kitchen. All equipment is maintained by outside contractors and the applicant carries out internal risk assessments and calls in outside contractors if in doubt.

Prevention of Public Nuisance:

In addition to the steps referred to above the applicant and his staff ensure that all persons leaving the premises are told to do so quietly and not to discard takeaway material other than in rubbish bins or by taking it home. If the applicant or his staff are concerned at the behaviour or potential behaviour of customers or those refused service, the Police are notified.

Protection of Children from Harm:

In addition to the steps taken above the applicant and his staff will neither sell alcohol to anyone under-age nor to another for consumption by such a person. Proof of age is requested where needed and if in doubt service is refused regardless to what proof is produced. The applicant does not believe that the premises otherwise present any danger to children as the kitchen is not accessible from the restaurant save as a means of escape in emergency.
