### 3. DETAIL

- 3.1. The Council Vision 2022-2026 was approved at Full Council in March 2022. To support the Vision we need a comprehensive and meaningful set of performance measures which allow us to identify how well we are delivering across a full range of services. Two kinds of indicators were agreed at the Policy and Finance Committee on 17 March 2022. The first of these are annual indicators and will primarily update the progress against strategic milestones. In addition to this 'key performance indicators' (KPIs) will be reported to committees every quarter. These KPIs are known as our Corporate Plan.
- 3.2. A short report and appendix will go to each of the other Committees in the cycle of meetings after each quarter has ended. This appendix will only contain the indicators which are relevant to each Committee.
- 3.3. A full report showing quarterly performance against all indicators (which are measured at that quarter) will go to the relevant Policy and Finance Committee meeting at the end of the cycle of the other Committee meetings. Members of the other Committees will be able to give comments or ask questions about the KPI indicators that are relevant to their Committee and these will be submitted to the Policy and Finance Committee for consideration.
- 3.4. Thresholds are used to establish which category of performance each indicator is within.

Achieved target	100% or above target figure
Didn't achieve target but within 15% range	85%-99.9% below target figure
Didn't achieve target by more than 15%	85% or less target figure

- 3.5. There are 43 Key Performance indicators. 1 of these indicators relates to this Committee.
- 3.6. Appendix A gives full commentary for this indicator.
