<b>LEAD OFFICER:</b>	<b>Antony Baden – Group Head of Finance &amp; Section 151 Officer</b>
<b>LEAD MEMBER:</b>	<i>Councillor Francis Oppler, Chair of Corporate Support Committee</i>
<b>WARDS:</b>	<b>All</b>
<b>CORPORATE PRIORITY / POLICY CONTEXT / CORPORATE VISION:</b> The Council's budget supports all the Council's Corporate Priorities.	
<b>DIRECTORATE POLICY CONTEXT:</b> The Council's budget impacts all Directorates of the Council.	
<b>FINANCIAL SUMMARY:</b> There are no direct financial implications arising from this report.	

## 1. PURPOSE OF REPORT

1.1. The purpose of this report is to inform Members of the budget process for 2025/26 as required by Part 6, Section 2 of the Council's Constitution.

## 2. RECOMMENDATIONS

2.1. The Committee is recommended to note the Budget process for 2025/26 as outlined in the report and to provide any comments to officers.

## 3. EXECUTIVE SUMMARY

3.1. The report provides a summary of the budget process for 2025/26 for Members' consideration and approval, noting that it was approved by the Policy & Finance Committee on 9 July 2024. It is expected that the budget process will be supported by ad hoc briefings to Members as and when necessary.

## 4. DETAIL

4.1. The relevant budgets were considered by each Service Committee before the full Budget was considered at Policy & Finance Committee on 8 February 2024 prior to approval by Special Council on 21 February 2024.

4.2. Members will be aware that the Council continues to face cost pressures and increasing demands on service delivery.

- 4.3. Members will be provided with high-level updates during the financial year on the Council's Medium Term Financial Plan which will confirm the budget parameters for 2025/26.
- 4.4. It is accepted that within the resource constraints there is the requirement for some resource switching to enable the Council's priorities to be progressed and to meet new statutory requirements. Similar to 2024/25, Committees will be consulted on the budget, taking account of the medium-term requirement to make savings and any growth should be minimised and met from resource switching where possible.
- 4.5. The budget guidelines issued will run parallel with any initiatives that are being worked on. The budget resource switching parameters for 2025/26 are that budget growth will only be allowed in essential/priority areas, and if alternative funding sources cannot be identified.
- 4.6. It should be noted that reports that require resource switching can be considered by Committees at any time during the year. However, significant permanent resource switching requires approval by Full Council as part of the formal budget setting process.
