#### 4. DETAIL

4.1 The Council Vision 2022-2026 was approved at Full Council in March 2022. To support the Vision we need a comprehensive and meaningful set of performance measures which allow us to identify how well we are delivering across a full range of services. Two kinds of indicators were agreed at the Policy and Finance Committee on 17 March 2022. The first of these are annual indicators and will primarily update the progress against strategic milestones. In addition to this 'key performance indicators' (KPIs) will be reported to committees every quarter. These KPIs are known as our Corporate Plan.

4.2 A standard report and appendix showing quarterly performance against all indicators will go to each of the Committees in the cycle of meetings after each quarter has ended and will then go to the relevant Policy and Finance Committee meeting at the end of the cycle of the other Committee meetings

4.3 Members of the other Committees will be able to give comments or ask questions about the KPI indicators that are relevant to their Committee and these will be submitted to the Policy and Finance Committee for consideration.

4.4 Thresholds are used to establish which category of performance each indicator is within.

Achieved target	100% or above target figure
Didn't achieve target but within 15% range	85%-99.9% below target figure
Didn't achieve target by more than 15%	85% or less target figure

4.5 There are 43 Key Performance indicators. 10 of these indicators relate to this Committee.

4.6 Appendix A gives full commentary for each indicator.

Status	Number of KPI's in this category at the Q2
Achieved target	5
Didn't achieve but within 15% range	3
Didn't achieve target by more than 15%	2
<b>TOTAL</b>	<b>10</b>

4.7 The Planning Committee have also requested a spreadsheet showing 12 month rolling average figures for the Planning indicators. This information is attached in Appendix B and gives the rolling average for the period October 2023-September 2024.

4.8 Actions to be taken for KPI's not achieving at Q2

KPI	Actions to be taken
CP32 - Average number of days to determine application - Discharge of Condition	The Director of Growth and Group Head of Planning will continue to monitor the performance of this indicator.
CP33 - Average number of days to determine major planning applications	The Director of Growth and Group Head of Planning will continue to monitor the performance of this indicator.

4.9 Future KPI reporting

From Q3 onwards, one standard KPI performance report and appendix will be issued to all Committee meetings. This report will contain information on all of the KPI's and the appendix will be ordered by Committee rather than by KPI number.
