

**We offer transport to residents of Arun District, people for whom public transport is not available because they are elderly, disabled, or those living in isolated areas where there are no adequate transport facilities.**

**We also provided Minibus shopping & social trips.**

Arun Community Transport enhances residents' lives by reducing social isolation, improving healthcare/food access, and enabling participation in the wider community. We support those with limited mobility who struggle with independent travel. Our volunteer drivers (Journey Buddies) provide more than door-to-door lifts; they offer emotional and physical support to users facing loneliness, depression, illness, and bereavement whilst taking them to appointments (doctors, dentists, hairdressers/barbers), activities (visiting friends/family, attending social clubs) and shopping for essentials. Our most significant need is for reliable, sustainable funding, so we are looking for service-level agreements with funders to give us some financial security.

## Small selection of thank you notes from our users

Dear [REDACTED]  
Arun Community Transport  
ACT  
Dove Lodge,  
49 Beach Road,  
Littlehampton  
BN17 5JG

Dear [REDACTED]

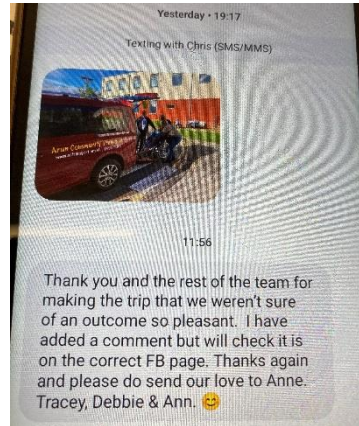

**RE: Annual Renewal of Membership Fees – [REDACTED]**

Please find attached Cheque £10.00 confirming annual renewal of our membership fees.

May we take this opportunity to convey our appreciation to the transport drivers and all members of staff who so generously give of their time in supporting this exceptionally efficient and friendly service. Words are inadequate in expressing just how important this service is to the Community, an example being in our own situation, which by the nature of our health issues, we are unable to drive to our hospital appointments, therefore, Arun Transport Service completely removes all stress and anxiety in planning the journey and ensures that we reach our destination and appointment in good time.

A sincere thank you to each one and long may your success continue.

Best regards

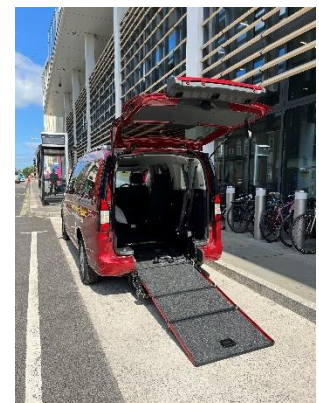

## Our First Vehicle

**Arun Community Transport  
are busy using our  
Wheelchair accessible  
vehicle.**

**Photo of our first user!**

**This vehicle will not only give wheelchair users a means of transport, but it can also, in addition to the wheelchair, carry three further passengers and the driver. We also hope to attract volunteer drivers who, for one reason or another, do not want or have their own vehicle to use.**
