Public Sector Audit Appointments Ltd (PSAA) have issued a 'Statement of responsibilities of auditors and audited bodies'. It is available from the Chief Executive of each audited body and via the PSAA website (www.psa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The 'Terms of Appointment (updated 23 February 2017)' issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Annual Audit Letter is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure - If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

01 Executive Summary

Executive Summary

We are required to issue an annual audit letter to Arun District Council (the Council) following completion of our audit procedures for the year ended 31 March 2018. Below are the results and conclusions on the significant areas of the audit process.

Area of Work	Conclusion
Opinion on the Council's:	Unqualified - the financial statements give a true and fair view of the financial position of the Council as at 31 March 2018 and of its expenditure and income for the year then ended
▶ Financial statements	
▶ Consistency of other information published with the financial statements	Other information published with the financial statements was consistent with the Annual Accounts
Concluding on the Council's arrangements for securing economy, efficiency and effectiveness	We concluded that you have put in place proper arrangements to secure value for money in your use of resources

Area of Work	Conclusion
Reports by exception:	
▶ Consistency of Annual Governance Statement	The Annual Governance Statement was consistent with our understanding of the Council
▶ Public interest report	We had no matters to report in the public interest.
▶ Written recommendations to the Council, which should be copied to the Secretary of State	We had no matters to report.
▶ Other actions taken in relation to our responsibilities under the Local Audit and Accountability Act 2014	We had no matters to report.

Area of Work	Conclusion
Reporting to the National Audit Office (NAO) on our review of the Council's Whole of Government Accounts return (WGA).	The Council is below the specified audit threshold of £500mn. Therefore, we did not perform any audit procedures on the consolidation pack.

Executive Summary (cont'd)

As a result of the above we have also:

Area of Work	Conclusion
Issued a report to those charged with governance of the Council communicating significant findings resulting from our audit.	Our Audit Results Report was issued on 18 July 2018
Issued a certificate that we have completed the audit in accordance with the requirements of the Local Audit and Accountability Act 2014 and the National Audit Office's 2015 Code of Audit Practice.	Our certificate was issued on 31 July 2018

In November 2018 we will also issue a report to those charged with governance of the Council summarising the certification work we have undertaken. We would like to take this opportunity to thank the Council's staff for their assistance during the course of our work.

Kevin Suter
Associate Partner
For and on behalf of Ernst & Young LLP

02 Purpose and Responsibilities

Purpose and Responsibilities

The Purpose of this Letter

The purpose of this annual audit letter is to communicate to Members and external stakeholders, including members of the public, the key issues arising from our work, which we consider should be brought to the attention of the Council.

We have already reported the detailed findings from our audit work in our 2017/18 Audit Results Report to the 26 July 2018 Audit and Governance Committee, representing those charged with governance. We do not repeat those detailed findings in this letter. The matters reported here are the most significant for the Council.

Responsibilities of the Appointed Auditor

Our 2017/18 audit work has been undertaken in accordance with the Audit Plan that we issued on 25 January 2018 and is conducted in accordance with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office.

As auditors we are responsible for:

- ▶ Expressing an opinion:
 - ▶ On the 2017/18 financial statements; and
 - ▶ On the consistency of other information published with the financial statements.
- ▶ Forming a conclusion on the arrangements the Council has to secure economy, efficiency and effectiveness in its use of resources.
- ▶ Reporting by exception:
 - ▶ If the annual governance statement is misleading or not consistent with our understanding of the Council;
 - ▶ Any significant matters that are in the public interest;
 - ▶ Any written recommendations to the Council, which should be copied to the Secretary of State; and
 - ▶ If we have discharged our duties and responsibilities as established by thy Local Audit and Accountability Act 2014 and Code of Audit Practice.

Alongside our work on the financial statements, we also review and report to the National Audit Office (NAO) on you Whole of Government Accounts return. The Council is below the specified audit threshold of £500mn. Therefore, we did not perform any audit procedures on the return.

Responsibilities of the Council

The Council is responsible for preparing and publishing its statement of accounts accompanied by an Annual Governance Statement (AGS). In the AGS, the Council reports publicly each year on how far it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in year, and any changes planned in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

03

Financial Statement Audit

Financial Statement Audit

Key Issues

The Council's Statement of Accounts is an important tool for the Council to show how it has used public money and how it can demonstrate its financial management and financial health. We audited the Council's Statement of Accounts in line with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office and issued an unqualified audit report on 31 July 2018. Our detailed findings were reported to the July 2018 Audit and Governance Committee.

The key issues identified as part of our audit were as follows:

Significant Risk	Conclusion
<p>Misstatements due to fraud or error</p> <p>The financial statements as a whole are not free of material misstatements whether caused by fraud or error.</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p> <p>Our work focused on assessing the potential for management overriding controls through the Movement in Reserves Statement (MiRS).</p>	<p>We:</p> <ul style="list-style-type: none">• Wrote to the s151 officer, Chair of the Audit and Governance Committee and the Head of Internal Audit in this regard and reviewed their responses;• Documented our understanding of the controls relevant to this significant risk and considered they have been appropriately designed;• Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in preparing the financial statements;• Amended our sample sizes when testing journals affecting the MiRS impacting the general fund to reflect the existence of this risk;• Reviewed accounting estimates for evidence of management bias; and• Evaluated the business rationale for any significant unusual transactions. <p>We did not identify any material weaknesses in controls or evidence of material management override.</p> <p>We did not identify any incorrect entries in the MiRS.</p> <p>We did not identify any instances of inappropriate judgements being applied.</p> <p>We did not identify any other transactions during our audit which appeared unusual or outside the Council's normal course of business</p>

Financial Statement Audit (cont'd)

The key issues identified as part of our audit were as follows: (cont'd)

Other financial statement risk	Conclusion
<p>Valuation of land and buildings</p> <p>The fair value of Property, Plant and Equipment (PPE) represent significant balances in the Council's accounts and are subject to valuation changes, impairment reviews and depreciation charges. Management is required to make material judgemental inputs and apply estimation techniques to calculate the year-end balances recorded in the balance sheet.</p> <p>The Council has also changed valuer this year and changes in methodology and assumptions will have to be evaluated.</p>	<p>We reviewed the instructions and data provided to the valuer by the Council. We identified no issues.</p> <p>We reviewed the classification and valuation methods used and identified an understatement of depreciation in relation to HRA properties. The valuer used the full life of all properties to calculate depreciation of HRA housing stock. Depreciation should be calculated using remaining useful lives of assets, which would have resulted in a higher depreciation charge which we estimated at £1.2 million. This was not material and did not impact the valuation of the dwellings which is undertaken as at the balance sheet date.</p> <p>Management chose not to correct the misstatement as it was not material and had no impact on the overall financial statements:</p> <p>We reviewed the relationship of the valuer to the Council and identified no issues.</p> <p>Our review of accounting entries at period end and those journals made in processing valuation adjustments did not reveal any instances of management intention to misreport the financial position.</p>
<p>Pension Asset valuation</p> <p>The Local Authority Accounting Code of Practice and IAS19 require the Council to make extensive disclosures within its financial statements regarding its membership of the Local Government Pension Scheme administered by West Sussex County Council.</p> <p>The Council's pension fund surplus contains material estimations and the Code requires that this liability be disclosed on the Council's balance sheet. At 31 March 2018 this totalled £21.595m per the draft accounts.</p> <p>The information disclosed is based on the IAS 19 report issued to the Council by the actuary to the County Council.</p> <p>Accounting for this scheme involves significant estimation and judgement and therefore management engages an actuary to undertake the calculations on their behalf. ISAs (UK and Ireland) 500 and 540 require us to undertake procedures on the use of management experts and the assumptions underlying fair value estimates.</p>	<p>We obtained assurances from the auditors of West Sussex County Council Pension Fund that the information supplied to the actuary in relation to Arun District Council was accurate and complete.</p> <p>We assessed and were satisfied with the competency and objectivity of the Council's actuaries: Hymans Robertson. We reviewed the work of the actuaries, and challenged the actuarial valuation finding no indication of management bias in this estimate.</p> <p>Our review of accounting entries at period end and those journals made in processing valuation adjustments did not reveal any instances of management intention to misreport the financial position.</p> <p>We had one finding in this area. When preparing the actuarial report, the actuary uses an estimated figure for the total net value of the Fund's assets as at 31 March 2018, estimated from data provided earlier in the year. Through our review of the actual net assets figures per the Pension Fund accounts we identified an understatement in the total value of the Fund's net assets, and estimated the proportion attributable for Arun District Council. The Council contacted the actuary for an updated IAS 19 report and amended the accounts.</p>

Financial Statement Audit (cont'd)

Our application of materiality

When establishing our overall audit strategy, we determined a magnitude of uncorrected misstatements that we judged would be material for the financial statements as a whole.

Item	Thresholds applied
Planning materiality	We determined planning materiality to be £1.825mn (2017: £1.704mn), which is 2% of gross revenue expenditure reported in the draft accounts of £91.252 million. We consider gross revenue expenditure to be one of the principal considerations for stakeholders in assessing the financial performance of the Council.
Reporting threshold	We agreed with the Audit and Governance Committee that we would report to the Committee all audit differences in excess of £0.091mn (2017: £0.085mn)

We also identified the following areas where misstatement at a level lower than our overall materiality level might influence the reader. For these areas we developed an audit strategy specific to these areas. The areas identified and audit strategy applied include:

- ▶ Remuneration disclosures including any severance payments, exit packages and termination benefits
- ▶ Related party transactions.

We evaluate any uncorrected misstatements against both the quantitative measures of materiality discussed above and in light of other relevant qualitative considerations.

04 Value for Money

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ Take informed decisions;
- ▶ Deploy resources in a sustainable manner; and
- ▶ Work with partners and other third parties.

We identified one significant risk in relation to these arrangements. The tables below present the findings of our work in response to the risk identified and any other significant weaknesses or issues to bring to your attention.

We have performed the procedures outlined in our audit plan. We did not identify any significant weaknesses in the Council's arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people.

Value for Money (cont'd)

We therefore issued an unqualified value for money conclusion on 31 July 2018.

Significant Risk	Conclusion
<p>Financial resilience</p> <p>Financial pressures in the public sector continue to mount. As a result of these pressures there is increased focus and wider public interest in the financial resilience of Local Government.</p> <p>The Council does not have many ongoing developments or income generation schemes integrated into its revenue and capital budgets which could have a significant impact on the medium term finances</p>	<p>We reviewed the Council's outturn for 2017/18 to assess the reasonableness of the budget assumptions, and reviewed the assumptions in the 2018/19 budget and 5 year Finance Strategy.</p> <p>The Council achieved a surplus of £1,102k in 2017/18. Our review of the Council's 2018/19 budget and 5 year Finance Strategy identified that the assumptions used appear reasonable.</p> <p>We reviewed the progress made with and achievability of efficiency and savings plans, including the purchase of the commercial property in Bognor Regis and the establishment of the local property company.</p> <p>Savings identified in prior years have been removed from the base budget which has reduced the net service expenditure. No savings have been identified in the MTFs period but the commercial property is forecast to produce annual income streams of £180k per annum. We have reviewed the assumptions used and they appear to be reasonable.</p> <p>There has been no trading activity in relation to the local property company but the Council remains alert for any opportunities that may arise.</p>

05

Other Reporting Issues

Other Reporting Issues

Whole of Government Accounts

We performed the procedures required by the National Audit Office on the accuracy of the consolidation pack prepared by the Council for Whole of Government Accounts purposes. The Council is below the specified audit threshold of £500mn. Therefore, we did not perform any audit procedures on the consolidation pack.

Annual Governance Statement

We are required to consider the completeness of disclosures in the Council's Annual Governance Statement, identify any inconsistencies with the other information of which we are aware from our work, and consider whether it is misleading.

We completed this work and did not identify any areas of concern

Report in the Public Interest

We have a duty under the Local Audit and Accountability Act 2014 to consider whether, in the public interest, to report on any matter that comes to our attention in the course of the audit in order for it to be considered by the Council or brought to the attention of the public.

We did not identify any issues which required us to issue a report in the public interest.

Written Recommendations

We have a duty under the Local Audit and Accountability Act 2014 to designate any audit recommendation as one that requires the Council to consider it at a public meeting and to decide what action to take in response.

We did not identify any issues which required us to issue a written recommendation.

Objections Received

We did not receive any objections to the 2017/18 financial statements from members of the public.

Other Powers and Duties

We identified no issues during our audit that required us to use our additional powers under the Local Audit and Accountability Act 2014.

Independence

We communicated our assessment of independence in our Audit Results Report to the Audit and Governance Committee on 26 July 2018. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning regulatory and professional requirements.

Other Reporting Issues (cont'd)

Control Themes and Observations

As part of our work, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. We have adopted a fully substantive approach and have therefore not tested the operation of controls. Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

Our audit did not identify any controls issues to bring to the attention of the Audit and Governance Committee.

06

Focused on your future

Focused on your future

The Code of Practice on Local Authority Accounting in the United Kingdom introduces the application of new accounting standards in future years. The impact on the Council is summarised in the table below.

Standard	Issue	Impact
IFRS 9 Financial Instruments	<p>Applicable for local authority accounts from the 2018/19 financial year and will change:</p> <ul style="list-style-type: none"> ▶ How financial assets are classified and measured; ▶ How the impairment of financial assets are calculated; and ▶ The disclosure requirements for financial assets. <p>There are transitional arrangements within the standard and the 2018/19 Accounting Code of Practice for Local Authorities has now been issued, providing guidance on the application of IFRS 9. In advance of the Guidance Notes being issued, CIPFA have issued some provisional information providing detail on the impact on local authority accounting of IFRS 9, however the key outstanding issue is whether any accounting statutory overrides will be introduced to mitigate any impact.</p>	<p>Although the Code has now been issued, providing guidance on the application of the standard, along with other provisional information issued by CIPFA on the approach to adopting IFRS 9, until the Guidance Notes are issued and any statutory overrides are confirmed there remains some uncertainty. However, what is clear is that the Council will have to:</p> <ul style="list-style-type: none"> ▶ Reclassify existing financial instrument assets ▶ Re-measure and recalculate potential impairments of those assets; and ▶ Prepare additional disclosure notes for material items.
IFRS 15 Revenue from Contracts with Customers	<p>Applicable for local authority accounts from the 2018/19 financial year. This new standard deals with accounting for all contracts with customers except:</p> <ul style="list-style-type: none"> ▶ Leases; ▶ Financial instruments; ▶ Insurance contracts; and ▶ For local authorities; Council Tax and NDR income. <p>The key requirements of the standard cover the identification of performance obligations under customer contracts and the linking of income to the meeting of those performance obligations.</p> <p>Now that the 2018/19 Accounting Code of Practice for Local Authorities has been issued it is becoming clear what the impact on local authority accounting will be. As the vast majority of revenue streams of Local Authorities fall outside the scope of IFRS 15, the impact of this standard is likely to be limited.</p>	<p>As with IFRS 9, some provisional information on the approach to adopting IFRS 15 has been issued by CIPFA in advance of the Guidance Notes. Now that the Code has been issued, initial views have been confirmed; that due to the revenue streams of Local Authorities the impact of this standard is likely to be limited.</p> <p>The standard is far more likely to impact on Local Authority Trading Companies who will have material revenue streams arising from contracts with customers. The Council will need to consider the impact of this on their own group accounts when that trading company is consolidated.</p>

Focused on your future (cont'd)

Standard	Issue	Impact
IFRS 16 Leases	<p>It is currently proposed that IFRS 16 will be applicable for local authority accounts from the 2019/20 financial year.</p> <p>Whilst the definition of a lease remains similar to the current leasing standard; IAS 17, for local authorities who lease a large number of assets the new standard will have a significant impact, with nearly all current leases being included on the balance sheet.</p> <p>There are transitional arrangements within the standard and although the 2019/20 Accounting Code of Practice for Local Authorities has yet to be issued, CIPFA have issued some limited provisional information which begins to clarify what the impact on local authority accounting will be. Whether any accounting statutory overrides will be introduced to mitigate any impact remains an outstanding issue.</p>	<p>Until the 2019/20 Accounting Code is issued and any statutory overrides are confirmed there remains some uncertainty in this area.</p> <p>However, what is clear is that the Council will need to undertake a detailed exercise to identify all of its leases and capture the relevant information for them. The Council must therefore ensure that all lease arrangements are fully documented.</p>

07 Audit Fees

Audit Fees

The table below sets out the scale fee for 2017/18 and our final proposed audit fee.

Description	Final Fee 2017/18 £	Planned Fee 2017/18 £	Scale Fee 2017/18 £	Final Fee 2016/17 £
Total Audit Fee - Code work	58,103*	57,103	57,103	57,103
Total Audit Fee - Certification of claims and returns	TBC**	8,330	8,330	8,204
Total Audit Fee	TBC	65,433	65,433	65,307

We confirm we have not undertaken any non-audit work outside of the PSAA's requirements.

*The proposed final fee includes £1,000 in respect of additional work required to gain assurance over the restatement of gross income and gross expenditure within the various portfolios as a result of the Council's revised portfolio structure. The restatements affected the Comprehensive Income and Expenditure Statement, the Expenditure and Funding Analysis and the related notes.

**Our fees for the work on the Housing Benefit Subsidy claim will be finalised after the completion of the work, due by 30 November 2018.
