

ARUN DISTRICT COUNCIL

REPORT TO AND DECISION OF THE RESIDENTIAL AND WELLBEING SERVICES COMMITTEE ON 30 SEPTEMBER 2021

SUBJECT: Budget 2022/23 Process

REPORT AUTHOR: Carolin Martlew, Interim Group Head for Corporate Support

DATE: August 2021

EXTN: 37568

AREA: Corporate Support

EXECUTIVE SUMMARY:

The report provides a summary of the budget process for 2022/23.

RECOMMENDATIONS:

The Committee is requested to:

To note the budget setting process for 2022/23

1. BACKGROUND:

1.1. The budget for 2022/23 will be the first to be completed under the new Committee system form of governance. The relevant budget will therefore have to be considered by each Service Committee before the full budget is considered at the Corporate Policy and Performance Committee (CPPC) on 10 February 2022 before approval by Special Council on 23 February 2022.

2. PROPOSAL(S):

- 2.1 The purpose of this report is to inform Members of the budget process for 2022/23.
- 2.2 Members are aware that the Council continues to face net expenditure pressures due to the unprecedented financial uncertainty over Government funding, the economy which has been compounded by the COVID-19 crisis and also Brexit. Brexit continues to cause issues, especially since the UK's official departure from the EU on 31 December 2020.
- 2.3 It is accepted that within the resource constraints there is the requirement for some resource switching to enable the Council's priorities to be progressed and to meet new statutory requirements. Budget proposals

should be for the 2022/23 year and should take account of the medium term requirement to make savings. Any growth should be minimised and met from resource switching where possible. To be considered, any proposed growth proposal must clearly state the financial commitment, whether it is recurring, how it supports the Council's corporate objectives and the objective it supports. In addition, as explained above, the resource switching must be indicated and where this is not appropriate, how the growth is to be funded.

- 2.4 The budget guidelines issued will run parallel with any savings initiatives that are being worked on.
- 2.5 It should be noted that reports that require resource switching can be considered by Committees at any time during the year. However, significant permanent resource switching requires approval by Full Council as part of the formal budget setting process.
- 2.6 The budget resource switching parameters for 2022/23 are:
- Growth will only be allowed in essential/priority areas
 - Proposals should aim to be cost neutral
 - Proposals should clearly identify any expenditure savings and Income generating ideas where appropriate.
- 2.7 It should be noted that reports that require resource switching can be considered by Committees at any time during the year. However, significant permanent resource switching requires approval by Full Council as part of the formal budget setting process.
- 2.8 The key dates for this Committee for the Budget 2022/23 process are summarised below:
